New program designed for 2-year-olds
Autism... Building the Basics through Learning Experiences

Details

- Year-round program for 2-year-olds with autism.
- Tuesday and Thursday mornings from 9:30 a.m. to 12:30 p.m.

The Arc of Chester County is pleased to announce the opening of a classroom for 2-year-olds with autism in an inclusive pre-school/childcare setting.

This language-based classroom is designed to provide unique, individualized, and intensive educational support for 2-year-olds with autism. Offered in a 4:1 ratio, small group setting, this program will focus on designing environmental and behavioral supports to enhance communication, social, and play skills.

Our teacher is a speech therapist with comprehensive training and experience in working with children with autism

- A unique blend of TEACCH, total communication, positive reinforcement and child centered learning
